Re: United States v. Jeffrey M. Mucci
07 Cr. 402 (RMB)

Dear Judge Berman:

At the initial pre-trial conference on this matter on May 14, 2007, the Court instructed the parties to submit any motions *in limine* by today.

On June 29, 2007, the Government sent its proposed jury instructions to defense counsel by Federal Express. Today, the defendant's counsel indicated that he intends to submit a request to charge the jury on entrapment and may pursue that defense at trial.

The Government does not believe an entrapment charge is warranted by the evidence, however, and would like the opportunity to move *in limine* to preclude it. Although the deadline to submit motions *in limine* is today, the Government respectfully requests the opportunity to respond to defendant's proposed charge. Consistent with the time allotted in the Court's prior briefing schedule, the Government proposes to submit its motion *in limine* next Friday, July 13, 2007, and that any response be due on Friday, July 20, 2007.

Hon. Richard M. Berman

I have conferred with counsel for the defendant, and he has consented to this request.

Respectfully submitted,
